«Heute Gemeindeversammlung» von und mit Mike Müller

20.30 – 21.45 Uhr

In dieser Komödie köchelt der Politikbetrieb auf seiner kleinsten Flamme: Es geht um die vordergründig gemütliche Gemeindepolitik. Doch wird hier die Suppe heisser gegessen, als sie gekocht wurde. Neben den üblichen Geschäften um Schule, Einbürgerung oder Bauprojekten geht es um die Fusion mit einer Nachbargemeinde. Bleibt man selbstständig oder will man Kosten sparen? Es gibt viele Voten, einen zunehmend aufgebrauchten Gemeindepräsidenten und eine Gemeindeversammlung, die aus dem Ruder läuft – alles gespielt.

Regie: Rafael Sanchez

This event will be held in German only.

«AMUSEMENTS ON THE LAKE»

For the third time, the diverse offer of "Amusements on the Lake" is bringing the frozen Lake St. Moritz to life: visitors can look forward to events, concerts, ice skating, idyllic walking paths, cross-country skiing, ice bathing and catering.

As firmly anchored in the St. Moritz calendar, the lake will once again provide the stage for the internationally renowned events Snow Polo World Cup, the White Turf horse races, The I.C.E. and for Cricket on Ice. New this year is the return of the Snow Golf Days to Lake St. Moritz; as early as 1979, the first European golf tournament was held on a frozen lake here in the Engadin.

The lake is also more popular than ever when there are no events. For the third time, a wide range of offers will complement the "Amusements on the Lake" and revitalize the lake until February 26, 2023. Visitors can look forward to ice skating, walking trails, cross-country skiing, ice bathing as well as concerts and a gastronomic offer. Ice skating enthusiasts have three options available: a one-kilometre-long circular track on natural ice, a natural ice rink and the Olympic natural ice track for speed skating. Ice skates, Ice Walker support figures, ice hockey sticks and goals can be rented on site. The ice rinks, restaurants and skate rentals are open daily from 11 am to 5 pm. In case of bad weather or warm temperatures, the opening hours will be adjusted. Alternatively, the lake can be crossed by cross-country skiing or on one of the winter hiking trails. A new offer for brave visitors is the winter bath in the ice-cold lake, which stimulates the internal organs, revs up your circulation and releases adrenaline. The experience takes place on Sunday mornings and Wednesday afternoons and is accompanied by trained, competent guides.
